ABOUT / WHAT I DO

Creative vision. Industry experience.

I create AI video and visual content, from short commercial concepts to cinematic storytelling and technical communication.

With more than 20 years as a project manager in the oil and gas industry, I bring a structured approach to complex information, project requirements and production.

Today, I apply that experience to AI video, commercial content and technical visual storytelling.

SELECTED WORK / 01

LESHY

ASMR + long film

A forest guardian brought to life through bark, roots, mist and restrained light.

Heart of Root / 8 sec

An intimate tactile moment: Leshy opens a root to reveal a luminous core.

Long film / 3 min 27 sec

A wider folklore world of forest paths, a lone traveller and the guardian's presence.

Creative range

Short-form character moments and extended cinematic storytelling.

LESHY / LONG FILM

SELECTED WORK / 02

BABA YAGA

Two ASMR films

Warm firelight, tactile materials and intimate detail connect two quiet moments in the Baba Yaga series.

Inside the hut / 20 sec

Baba Yaga works leaves and seeds in a stone mortar with a wooden pestle.

Vasilisa's doll / 16 sec

A small helper sorts grain beside the hearth.

Creative range

Atmospheric ASMR and detail-led character storytelling.

PART 5 / INSIDE THE HUT

PART 8 / VASILISA'S DOLL

SELECTED WORK / 03

BABA YAGA SCREAMER

Short-form horror / 15 sec

A dark doorway. An almost empty room. A sudden close-up reveal.

The sequence builds its contrast through a held composition and an abrupt change in proximity and expression.

Presented alongside the ASMR films, it shows a distinctly different treatment of the same folklore world.

Creative range

Horror teasers, suspense and short-form reveals.

THE REVEAL

SELECTED WORK / 04

ZMEY GORYNYCH

Part 1 + Part 3 / 15 sec each

A forest-bound fantasy series built around mystery, scale and discovery.

Part 1
A low forest approach leads to a three-headed creature emerging from a shadowed opening.

Part 3
A marked tree gives way to a lone cloaked traveller among tall trunks.

Creative range
Serialized fantasy, environmental storytelling and cinematic teasers.

PART 1 / THE EMERGENCE

PART 3 / THE TRAVELLER

OIL & GAS / TECHNICAL & INDUSTRIAL CONTENT

Complex ideas. Clear visual stories.

20+ years of oil and gas project leadership

My industry background informs how I approach technical information, project structure and business requirements.

I apply that experience to equipment and process explainers, technical AI video, training materials, presentations and corporate communications.

Industry experience + AI production
Technical content shaped for clarity, accuracy and visual engagement.
